**ACTIVITY COMES  
WITH STRONGER  
TONE OF MARKET**

Further improvement in the gen-  
eral tone of the stock market was  
discoverable with the opening of busi-  
ness and before the Stock Exchange  
session this morning. Olsa was again  
the most active feature at that time.  
It was freely offered at \$24.25 and at  
that figure was equally freely ac-  
cepted by purchasers.

Of the unlisted stocks Mineral Prod-  
ucts continued to receive most at-  
tention. It was quoted at slightly  
lower figure this morning and there  
were sales at \$1.10 and \$1.15.

At a meeting of the directors of  
Honolulu Rapid Transit & Land Com-  
pany, held yesterday, a regular quar-  
terly dividend of 3 per cent, payable  
July 1, was declared. At such meet-  
ing three sales, aggregating 300  
shares, and all at \$160, were reported.

In the trading in advance of the ses-  
sion Ewa came in for attention and  
sales aggregating nearly 1700 shares  
were reported, the price advancing 25  
cents.

Olsa, McBryde, Oahu and Ewa were  
all strong features of the day. Total  
sales were \$750.

Heartbroken because she was about  
to be separated from her sister, who  
had just been married, Miss Helen E.  
Farron of Rochester, died there im-  
mediately after watching her sister's  
wedding.

Announcement is made that the Ha-  
waiian society, Ka Ahahui O Na Pua  
O Hawaii, will hold a meeting on Sat-  
urday, June 17, at the home of Miss  
Edith Williams, 2535 Nuuanu avenue,  
beginning at 4 o'clock.

In the British army a battalion of  
1,016 men requires for its daily ra-  
tions \$35 two-pound loaves, 127 pounds  
of bacon, more than 31 pounds of salt  
and nearly 15 pounds of pepper, to  
mention only a few of the items.

**BITER OF EMERGENCY  
HOSPITAL ATTENDANT  
BLAMES HIS DEITY**

Because his God had advised him  
not to take medicine was the reason  
Tam Pong gives today for biting R.  
Damien on the finger in the emergency  
hospital last night. Pong is detained  
at the jail to be investigated for in-  
sanity. Damien is the big and jovial  
attendant-trusty to Police Surgeon R.  
G. Ayer, who was trying to adminis-  
ter some pills to the Chinese when the  
latter secured the digit between his  
teeth.

**KLUEGEL TALKS ON  
WAIHOLE TUNNEL**

Construction details of the tunnels,  
ditches and syphons of the Waihole  
water project were discussed by  
Charles H. Kluegel, consulting and in-  
specting engineer of the company, at  
a meeting of the Hawaiian Engineer-  
ing Society last night. His talk, given  
at the Library of Hawaii, was illus-  
trated with lantern slides showing the  
many engineering features of the pro-  
ject carried to completion last month.  
More than sixty engineers and plan-  
tation men were present.

**DO THIS FIRST—YOU!**

You know, and every physician  
knows, that when any sickness has  
passed, whether it be throat trouble,  
organic disturbances, contagious dis-  
eases, or even a severe cold, a relapse  
is feared, because sickness robs the  
system of Nature's resistance and  
leaves it subject to lingering germs.

Drugs never build up a worn-out  
body—only food can do that, and the  
first thing to take after any sickness is  
the concentrated, blood-making oil-  
food in Scott's Emulsion, which feeds  
the tissues, benefits the blood and  
strengthens both lungs and throat.

Physicians prescribe Scott's Emul-  
sion after sickness. Nurses everywhere  
advocate it. Scott's is pure medicinal  
food, without alcohol or drugs.

**SECOND DEPUTY  
CLERKSHIP MAY  
BE PERMANENT**

Federal Officials Say Rapidly-  
Growing Court Business  
Makes It Necessary

There is now little doubt but that  
the office of second deputy clerk of  
the local federal court will be made  
permanent, and that Ray B. Rietow,  
the present second deputy, will remain  
in the position.

This is the belief of Judge Charles  
F. Clemons, who said today that both  
Federal Judge H. W. Vaughan and  
himself have made recommendations  
to this effect to the department of jus-  
tice in Washington. He added that,  
owing to the pressure of business, it  
is necessary at the present time, at  
least, for the clerk to have two deputy-  
clerks.

It is understood in federal court  
circles that Henry McConnell, special  
examiner for the department of jus-  
tice, recommended, following an in-  
vestigation, that the position of sec-  
ond deputy clerk be made permanent  
for the reason that he was impressed  
with the rapidly growing business of  
the court.
